simply because they were in the wrong place at the wrong time.

They were in the *middle of the road*.

There are many people who are in danger of becoming **roadkill** too. That's because they are '*middle-of-the-road*' Christians. They are neither on one side nor the other. They live for Christ when it's convenient, then live for themselves or for the crowd when that's more convenient. They are Christians on Sunday, but the rest of the week you can't really tell which side of the road they are on.

They are middle-of-the-road Christians.

The Bible says, *choose for yourselves this day whom you will serve*<sup>Joshua 24:15</sup>

*No one can serve two masters at the same time. He will hate one of them and love the other. Or he will be faithful to one and dislike the other. You can't serve God and Money at the same time.*<sup>Matthew 6:24</sup>

*So, because you are lukewarm - neither hot nor cold - I am about to .spit you out of my mouth*<sup>Revelation3:16</sup>.

**All of these Scriptures make the point very clear:**

**If you are a middle-of-the-road Christian,**

**you are**

**ROADKILL!**

In your worship of God be extravagant

In your love for Him be extreme

Then your life will be extra-ordinary

May you prosper and enjoy good health, even as your soul prospers.

Remember that you belong to the family of Believers,  
so wherever you are, think, act, talk and give as a Believer!
